- Projects:
-- The Large Hadron Collider  * - 1
-- Boeing Dreamliner
-- NBN * - 3
-- Main Roads:v Gateway WA project * - 2
-- Railway Sinking in Perth
-- Electric Vehicle project

- Team Dynamics
-- Team name: George
-- Objectives:
--- Complete our tasks in a timely manner
--- Break to project up into smaller parts
--- Work collaboratively
--- Provide/Research well sourced, accurate information
--- Provide a professional report
-- How will decisions be made?
--- Collaboratively
--- We should consider everyones opinions.
--- Vote if we cannot come to a unanimous decision.
-- When?
--- We have already begun considering the requirements.
--- We will split thje written report into parts per person, and edit the final document
collaboratively.
-- What happens if someone doesn't complete their tasks.
--- We shall require group members to provide apologies _in advance_ or else provide a
medical or other reason.
--- If not, they will be voted on the island.
--- If someone does not complete a task by the deadline (or fails to show sufficient
progress) more than once, the lecturer will be contacted.
--- Otherwise we shall simply reflect the effort put in in the final group effort breakdown.
-- Timeline?
--- Yes.
-- We will have regular weelky meetings. Wednesdays at 11:00 or Friday after the tute.
--- Everyone needs to attend, unless they have prodided a good reason before the meeting.
-- They will be marked as absent.
-- We will complain if this happens too much.

- Communicator: Me, David

Meeting closed 11:55 David Standard Time
