Semester address:

230 Hampden Rd,
Crawley, WA 6009

Off semester address:

(for postal only)
15 Cloisters Cove,
Busselton, WA 6280

Date of Birth:

31 October, 1990

Birth Place: Busselton, WA

Work History:

Coles Supermarkets, Busselton

Date: December 2005 to February 2009

(2 years casual, 1 year full time)

Position: Customer Service Assistant

Working in the front end of a supermarket, taught me allot about working with people, both as part of a team and interacting with customers. In a small town like Busselton you get to know the whole town. In addition to working front-end, I was also fully trained in food handling and manual lifting.

Leeuwin Oceanic Adventure Foundation

(S.T.S Leeuwin II)

Date: January 2009 – Present Time

(Casual during semester, full time over summer)

Position: Bosons Mate, Watch Leader.

Volunteer work onboard a tall ship has been one of the most rewarding experiences of my life. Working as part of a team to sail the ship is amazing, but even better is teaching others to do it. It is a great thing to take young people on board. Show them the skills, help them build on their teamwork, leadership and self confidence. Until at the end of the voyage you hardly recognise them sailing the ship home, as the shy trainees that first came on board. One of our more well known voyages is the "Ultimate Challenge", where I had the opportunity to instruct trainees with physical and mental disabilities. Duty the day sail season, I have gained experiences in professional cleaning and in working as a Galley (kitchen) hand.

Academic Record:

I am currently enrolled at UWA, 3 years into a Bachelor of Computer and Mathematical Science/ Engineering. Majoring in computation, pure mathematics and electrical and electronic engineering. I've completed units in java and c programming, digital logic, embedded systems, robotics and automation, calculus, linear algebra, probability and statistics, physics and more general engineering topics. Currently I sit on a high distinction average.

I graduated Busselton Senior High school in 2007, near the top of my year group. Topping my year group for Applicable

mathematics and for Information systems.

3 Weston Place,
Busselton, WA 6280

Jeffery Poon

Mob: 04 1478 9949
Unit 1,
6 Waterway Court,
Churchlands, WA 6018

I also completed year 12 calculus through the WA School of Distance, topping my class of 50.

Programming Experience:

I am familiar with numerous programming languages, including: C++, C, Java, F#, assembler (Atmel and Motorola 68000), Visual Basic and Python. Though F# I have some experience with the Microsoft .net libraries. I also have some experience with the FLTK GUI library, for C++.

I am experienced with using source control, primarily subversion. I regularly use Linux and windows, and on occasion Mac OS. I am also have some familiarity with the Latex mark up language and VHDL.

Other Experiences:

In my early years I was heavily involved in the Australian Scouting Movement. Learning valuable skills in first aid, emergency response and community service. By the time I left the movement I had received the Australian Scouting medallion, the highest achievement in youth scouting (previously known as the Premier Scout award.).

Through the School and the Busselton Shire, in 2005, I participated in a short home stay cultural/language exchange program, going to our sister city of Sugito, in Saitama province, Japan. I'm still in contact with my host family, today.

I have also been a member of the award winning Busselton Senior High school symphonic wind band, playing clarinet, and have toured new Zealand with them. After high school I was a forming member of the Busselton Community Band (inc).

I'm a member of various UWA Guild affiliated clubs around the UWA campus, and have been entrusted with the positions of Unisfa CCC, UCC Door member and Unigames gatekeeper, taking responsibility for the opening and maintaining of the respective clubrooms. I am also currently the Unigames Vice-president.

Scholarships and Awards

Some of my more notable scholarships and awards include:

UWA diversity and merit award: for highest scoring applicant with a disability. I am dysgraphic and have difficulty with extended handwriting.

Sir Stewart Bovell Scholarship: for academic achievement and community service.

WA Certificate of Distinction: TEE Information systems.

I was in the top 3 students in the state, scoring a raw score of above 95%.
